MEMORANDUM FOR: COS/DDO

FROM : PB/NSC Coordinator

SUBJECT : DCI/DDCI Update re Covert Action

25X1

1. After the 7 July SCC(I) meeting, the Director asked that he be provided a weekly update on the status of all covert action programs. In going back to the Director and the Deputy they have agreed that this update be provided every other Friday. The first such report is due Friday, 18 July. [REDACTED]

2. Several months ago the Director asked that a basic CA reference book be prepared for his use. This was pulled together by the CA Staff and retained by me. The DCI would occasionally call for it to refresh his memory on the various CA programs and the status thereof. The material therein had been updated periodically by the CA Staff. [REDACTED]

3. What the Director has in mind is that this book be retained in its present form, but that every two weeks it be updated with an operational report regarding the status of activities being undertaken by way of implementation of the Presidential Findings. I have returned the basic notebook to the CA Staff for any updating of the basic reference material that may be required as well as for the insertion of the operational SITREPs [REDACTED]
